Pam presented an update of the results that we've received from our sponsor packets. She also presented the members who have contributed as member patrons with their lollipops. We reviewed the plant sale results from the Nov 3rd plant sale. It was decided that the additional expenses with changing the location (rent and insurance) wouldn't warrant having the sale elsewhere. Pam announced that the society has received a donation of orchid pots from Emery Allstaedt. Most will be included in the Dec dinner meeting raffle table. Elections were held. The following slate was accepted by the membership:

Pres. - John Masters: VP- Joe Crook: Treas- Roger Perrault: Rec Sec- MaryLou Evans: and Corr Sec- Pam Bombardieri. The society has received a letter from the Venice Orchid Society about their show. The VAOS Theme is ANYTHING GOES. The next show we will participate in is the Sarasota Orchid Show, the first weekend in Jan. Pam presented info on the upcoming VAOS Bus trip to the World Orchid Conference.

#### Now from the President's Desk.

I wish to thank all for the Society's support during the past year. It really has been a pleasure working with so many fine people. I look forward to hounding everyone in my new role in 2008 as Show Chairman. We have a great Orchid Society and it shows. It will SHINE next March. I wish John Masters the best as the New President. And our slate of Guest Speakers for 2008 is awesome. We will start the year off with none other than Bill Fender. Bring your checkbooks. See you at LaStanza's .
