## Show Time is coming up Fast !

FIRST, the Venice Show. Set up will be on February 2, plant drop-off will be at Pam's house on Weds, Jan 31st from 11 AM to 6 PM. Pam also needs helping hands to set up the display. Set up time is Feb. 2nd from 11 AM to 6 PM. And since she can't be there on Sunday evening for tear-down we are in desperate need of a few volunteers.

Also needed on Thursday Feb 1st, volunteers to prepare labels and paper work and ID the plants on Wildcat, from 10 to 2.

Roy Klinger from the Venice Orchid Society plans to be at our Jan. meeting to pitch the Venice Show.

NEXT, the EAOS show in March!

Needed are chairpersons for the following Committees: Food, Welcome, Culture, AOS, Registration, and Signs.

Our show is always well received here in Englewood and we need lots of help to make it a Good Show. It is our one big event of the year and we need all members to participate. Most of the committee work is simple and doesn't require exceptional ability. There is always someone around who can give help or advice if you flounder. Please Help !!

Just a reminder - We are looking for small bud vases for the dendrobium sales and old AOS bulletins for the March show.

*The question has arisen as to whether to change our meeting date from the First Monday of the month to the Second Monday. Once again, we have had to change because of a holiday falling on the First Monday. Give some thought to this so we can discuss it at our meeting.*
