

# January Newsletter

*from the  
President's Desk*

My first message as the new president will be brief. Basically because I just learned that the newsletter was going out tonight when I was running around the Sarasota Orchid Show. On that note I would like to thank everyone who provided plants and their time and energy to creating a beautiful Japanese garden for our table top display. enthusiastic energy, and marvelous sense of humor put an invigorating aura on our society and made it a pleasure to attend the meetings. Luckily for all of us, and especially me, Pam is staying on the board and will provide guidance and knowledge throughout the year. One does not replace a leader like Pam; he merely brings a different edition to the monthly drama. In closing let me remind everyone to recruit everyone you know and drag them to the meetings. Every-one stay safe and I'll see you on the 14th.

## REMINDER:

The Venice Show will be on Feb. 2nd and 3rd. Plant drop off at Pam's house on the 1st. Need folks to volunteer for transporting stuff up and breakdown. I will not be at breakdown.

Dues are Due.
