

## Sarasota Show - EAOS Orchid Exhibit

Many members are putting in a lot of time and effort to make this exhibit a success, even working through the Holidays. We hope you had a joyful Christmas celebration, and have recovered enough to join-in!

We felt as though it may be helpful to repeat the registration procedures, as they are different from what we are used to.

1. There are two “drop-off/registration” points. For those living in the southern Englewood area, plants may be registered on Wed. January 2nd, at Michel’s house from 1:00 - 4:00. The address is 5381 Kempson Lane, Port Charlotte. Her phone number is 697-8004.

The second site is for those a little further north, at Edna’s house. The date here is Thurs. January 3rd also from 1:00 - 4:00. The address is 1395 Forked Creek Drive, Englewood. Her phone is 474-1187.

*Please be aware, we have been told no plants will be accepted for registration at the show. Your plants will be transported to and from the show by our member volunteers. Please pick-up your plants from the Baldwin’s, on Monday Jan. 6th from 10:00 - 2:00. The address is 353 Gladstone Rd. Englewood. Ann’s number is 214-0789.*

2. Please download the attachment and use the registration form. Have this filled-in (use printing please) including any awards as part of the plant name. Bring it with you to one of the two registration sites of your choosing.
3. Since this is a ‘table-top’ exhibit we are especially interested in small plants that don’t take up too much space. Also - species, Paphs., and any of the more unusual genera. If we are not able to use your plant in the exhibit, it will be moved to the ‘plant table’, and registered accordingly by one of our member/assistants.

Thank you for your participation in this EAOS event.
