## From the President's Desk

The days are counting down to our show. I am excited and I hope you are too. It's been two long years since we've been able to have our show, so we plan on having a great show.

Be sure and get your plants ready - cleaned and staked and remove any wire hangers, etc. Be sure to send Ken Woodward an email to register your plants. Normally this time of year a lot of flowers are blooming so that will make a great display and those that are large or don't fit in the display, can go on the individual table. They'll all be judged the same.

Thank you all for stepping up and signing the volunteer sheets for the show. If you didn't have a chance to sign up, you can still help out as people need to take a break and you can fill in while they have lunch or whatever.

There was a slight change in last night's program as our speaker, Bill Nunez, got his months confused and came last night instead of March. It all worked out fine and I think everyone enjoyed seeing the beautiful pictures and hearing about Enc. orchids.

Next month we will have the AOS DVD, The Judge, The Hunter, The Thief, and the black Orchid. It is a really interesting program. Don't miss it.

Mary Anne DiGrazia,  
EAOS President

To display your blooming orchids members must register the plants with the society Feb. 27, 28, and Mar. 1. The instructions for registration can be found at [EAOS.org/Show Prep 2022](https://www.eaos.org/Show/Prep/2022). Send all your entries to [orchids@eaos.org](mailto:orchids@eaos.org).
