

## From the President's Desk

Great turnout at the April meeting – it was nice to see so many new members as well as the old gang. Mickey gave a nice talk on Paphiopedilums and everyone was able to get hands on experience with this species that scares some orchid growers but delights many as well. Several of our members grow fabulous paphs – now we all can! Looking forward to seeing more paphs at our meetings and shows.

Lots to keep us happy in the next few months. Roy Klinger will be our member speaker at May's meeting. We're also having a **MEMBERS ONLY SALE**. We made this announcement last month so hopefully some of you have been separating and repotting your plants for resale at this event. All orchid related items – plants, bare roots, supplies, artwork, books, etc will be sold ***by members to members***. A good way to purge your shelves of unwanted plants, replenish your stock and add some needed cash to your orchid budget. This is a fundraiser for EAOS: 10% of the sales go to EAOS and 90% to you, the seller. A good deal for all.

See you at the May 10<sup>th</sup> meeting. [Here's how it works:](#)

Doors open at 6:30 to set up sales areas for the members only sale.

Sales period is 6:45 – 7:15 Browsing only until 6:45. This way everyone gets a fair chance to look and buy. **No sales before 6:45.** Sales period is 6:45 to 7:15. We'll also have coffee and snacks at this time.

Meeting starts at 7:15.

Don't forget:

- your plants for the members plant table
- your plants for the raffle table
- we always welcome savory or sweet snacks for the meeting and

bring CASH to support our Members Only sale.

**Gail Hopper,**  
EAOS President

## Minutes

April 12, 2010

7:00 PM Meeting called to order by President Gail Hopper. New members and guests were introduced and welcomed. We had a great member attendance. Thank you all !!!

Gail gave an explanation of what goes on during our meetings so our new members would be comfortable and know what to expect.

An addendum to our new directory was announced and handed out that includes our new members.

Old business: Gail talked about our show in March . We now have a trophy case with both trophies on display and room for more to add as we win them !!!

*Continued next page*

## Minutes (cont'd)

New Business: The May meeting will be the member sale. Bring your plants!!!

The Redlands Bus Trip is coming up in May 15th. The sale is 14,15,16.

Breaktime : lots of goodies and coffee. We had time to enjoy all of the beautiful slippers and Phalenopsis that Mickey brought-also to view the many plants brought in by our members.

Speaker of the evening was Mickey Carnell of the Blue Pagoda. Topic was Tropical Slippers, my personal favorite. The talk was awesome. Thank you Mickey for another informative talk about the "not so hard to grow plant".

Ted explained the member plant table and the raffle table so that our new and old members could participate. Both were brimming over with beautiful plants.

A great evening for all of us. Thanks to all of you, members and guests.

Recording Secretary,  
Edna McClenney-Willis
