Plant Sale
November 4, 2006

Please remember to get your plants ready for the plant sale. At the last meeting Mickey gave us tips on how to prepare the plants that we want to sell. If you missed the last meeting, Roger has included these tips in the minutes.

Please give some thought to the idea of changing the meeting date to the second Monday of the month as was discussed at previous meetings. Is this good or bad for you ? We will be voting on this at a future meeting when more of our members are back.
